## SAN DIEGO STATE UNIVERSITY

November 22, 2022

Professor Antonio Jefferson da Silva Machado  
Universidade de São Paulo, Lorena Campus  
Brazil

Dear Professor Machado,

As per our recent zoom conversation, I am delighted to invite you to visit our Physics Department at San Diego State University in connection with your upcoming trip to the US to participate in the March Meeting of the American Physical Society. The meeting will take place in Las Vegas, March 5-10, 2023. Please feel free to schedule your visit either before or after the Las Vegas meeting.

Please let me know if there's anything I can do to facilitate your trip. Our group is excited about your visit and looking forward to discussing the new finding in the new topological materials that you've been working on.

We are looking forward to your visit.

With my warmest regards,

*Milton S. Torikachvili*
